Subject - Reconstitution of Closepet Town Municipal Council

I have the honour to state that the term of the Closepet Town Municipal Council, expires on 29-2-1944 and necessary elections were held on 3-1-1944 as per rules to reconstitute the council with effect from 1-3-44 The marginally noted 15 gentlemen have been declared as duly elected Councillors at the Special Meeting of the Municipal Council held on 4-1-1944

2 The Sub Division Officer, Closepet, the Senior Officer of the Public Works Department at Closepet, and the Health Officer, Rural Health Training Centre, Closepet, may be appointed ex-officio Councillors and the Sub Division Officer, Closepet as ex-officio President of the reconstituted Municipal Council, may be fixed at 21 including ex-officio President *The strength of the new Council

3 As regards nomination of three gentlemen, applications have been received from the marginally noted gentlemen Of these, the first three are defeated candidates in the Election Hence their names cannot be recommended for nomination The Sub Division Officer, Closepet has recommended the names of the*marginally noted Gentlemen for nomination As regards the third name I recommend one Mr S A Hakim Saheb His candidature application was rejected by the Returning Officer under Section 12(1) (b) of the Town Municipalities Act of 1933 on the ground that he was a Municipal Contractor But on examining the merits of the case, it has been found that the rejection of his candidature application was improper and definite injustice has been done in this case The party had presented candidature application on 11-12-1943(last date as per calender of events) and withdrawal application from Municipal Contractorship dated 11-12-1943 on 13-12-43 The returning officer has passed orders rejecting this application on 16-12-1943, ven though he had time to consider the case as the dis-ability to stand for election as a candidate ceased from 13-12-43, alone But no appeal lies to the Deputy Commissioner against the decision of the Returning Officer, according to Election Rules The only remedy for the party was to contest the election before a Civil Court having jurisdiction As the party too has shown good spirit in not dragging the Municipality to Civil Proceedings, I recommend that this case may be considered for nomination even though there are seven Mussalmans in the New Municipal Council The population of Closepet is 8866 of which nearly on half are Muslims His nomination has also been supported by the depressed class people of the town The marginally noted three gentlemen may therefore be nominated under Sec 9(1)(b)(i)

Dear Sir,

We, the public of Closepet would like to bring the following lines to your kind consideration and request for needful in the matter

Mr. S.Chandrabhan Singh had stood for the Municipal Elections this time for the IV Division. Just before the Election-day, it was rumoured that the gentleman had withdrawn As most of the people in our division are illiterates, they believed the rumour to be a true one and no votes were given to him during the morning Moreover, he was due to some mishap, which made the rumour, a true one in the eyes of the voters He himself came to the polling centre in the evening. On seeing him most of the people executed their votes in favoir of him In spite of the votes given to him during the evening, he could not succeed as most of the people had given their votes in the morning itself.

Mr S Chandr bhan Singh has given service as councillor on the previous occasions In addition to this, he has given a good service in various capacities Due to the false rumour we believed, we were made to lose his help He is an young and enthusiastic man. He is very influential among our division He was the only literate man who had stood for election His guidance would have helped us a great deal As such, we are in need of him in the Municipal Council

For the above said facts, we would like to request you to kindly take that gentleman to the council on nomination and thus help us. We hope that this application will be duly considered and the help of that gentleman may kindly be made available to us.

Thanking you,

Re Submitted

The applicant presented his application for his Candidature on 11 12 43 as per Calendar of events; whereas his application for his withdrawal from his municipal Contractorship is received in the office on the 13th Dec 43, though it is dated 11th Dec 43. I have fine this on the 15th and passed orders on the 16th which is the last date for hearing & disposing of objections, and issued endorsement rejecting the Petition, as it was in Contravention of Section 12 1 P5(b) of the Act. From the above it is clear that his withdrawal application for his Contractor's Ship is preferred 2 days after the date notified for the receipt of Candidature applications In this connection I beg to submit that the application made to the Deputy Commissioner for reconsideration of the orders passed by the Returning officer does not seem to be valid and could be entertained as per rules on the subject

The general elections at closepet Town Panchayat were held on 3-1-44 and the marginally noted 15 gentlemen have been declared as elected at the Spl meeting of the Panchayat Council held on 4-1-1944 The undermentioned 3 Officers may as usual be appointed as Ex Officio Members with the S D O closepet as President of the new Panchayat Council

(1) S D O closepet
(2) Senior Officer of P W D at closepet
(3) Health Officer R H T Centre closepet

The remaining three vacancies have to be filled up by nomination The caste wise particulars of the Elected Candidates are noted below -

The S D O closepet has recommended the following three gentlemen for nomination

Population 804 1) Mr H Narayana Rao Pleader (Brahmin)
" 1132 2) " Yajaman Dasa (Ade Karnataka)
89 3) " S Chandrabhan Singh (Rajput)

The communities which have not been represented though containing substantial population are noted below 1) Vokkaligars 415
2) Voddars 325

1) K C N Kodanda Ramiah Setty

2) S Chandrabhan Singh
Flag (d)
3) S. A Hakeem Saheb
4) Abdul Gafoor Saheb
(Flag E)

Applications praying for nomination and also in favour of the marginally noted gentlemen are herewith submitted for kind perusal of these Sl No 2 has been included in the list recommended by the S D O Sl Nos 1 and 4 are defeated candidates in the Election

The idea of nominating a defeated candidate was not upheld recently in case of Tyagarajanagar Municipality by the last Sanctioning Authority the S.D.O

Mr S Chandrabhan Singh (Sl No 2) recommended by the S D O is also a defeated candidate The population of Rajput community is only 8 %

As regards Sl No (3) Mr S A Hakeem Saheb his candidature application has been rejected by the Returning Officer (Mb) on the ground that he is under Sec 12 (1) (a) (b) being a municipal contractor The party had presented his candidature application on 11-12-03 and withdrawal application from municipal contractorship on 16 12-03 - 13 12-03 The S D O has passed order rejecting the candidature Applies Even though the withdrawal application from municipal contractorship was presented dated 11 12 03 on 13 12 03, still the Returning Officer had time to consider the same and the disability to stand as a candidate ceased from 13 12 03 alone The S D O seems to have not considered this aspect of the case However there is no provision for direct appeal to the Dy Comr against the decision of the Officer The previous office note wherein the Deputy Commr has observed that the reason for rejection may be examined is also known to the Subject for kind perusal. Now this gentleman prays for nomination (Flag 'F')

The depressed class people including Mr Yajaman Dash (A K) recommended (Flag 'G') by the S D O have presented petition to this office praying for nomination of Mr S A Hakim on behalf of their community also.

Submitted for favour of order regarding the recommendation to Govt for three gentlemen for nomination to Government

12/2/04

No 3 being a defeated candidate I recommended say that the rejection of No 3 was improper and a definite injustice has been done in his case and as the party has shown good spirit in withdrawing his writ proceedings, he may be considered for nomination even though there are seven nominations if this is not acceptable some Valmiki person may be thought of

Sir

The undersigned begs to bring the following few lines to your kind Consideration and favourable orders

That I had Submitted an application to the returning Officer elected for the Candidature of Municipal Council of Ward No 2 Municipality on 11-12-43 The same is rejected on the Grounds that I am a Municipal Contractor since the year 1942 I have done no work in the Municipality Nearby I have applied for the Contractorship now the Comment has approved me as a Contractor I am a Licensed Plumber I hold a License from the Municipality for Plumbing works also I believe is not a Municipal Contract Besides I have Submitted an application to cancellation from Municipal works, as I have stood for election Regarding all these my application is rejected the copy of the endorsement is herein enclosed for kind perusal I had Submitted another application to the presiding Officer all there reasons for reconsideration But no orders are passed Hence I request Your Honour to be kind enough to order for the restoration of my application as the election is to take place on 3-1-44

Yours Obediently

XXX 37

Section

The relevant section of the Act is flagged

Q' The Pt has rejected the Candidature application on the ground that the applicant is a munpl contractor

It is a point for consideration if this case comes under the 12 (1)(B)(b) clause and proviso C and C(VI) of the said Section As regards the remedy to the applicant now, Rule 15(1) (flag N) of the Election Rules does not allow Appeals to the Deputy Comm against the decision of the Returning Officer The enquiry to be conducted by him should be a Summary one The applicant has to contest the election as irregular in a proper court of law if so advised Submitted for favour of orders The final list of Candidate might have been published on 16.12.15 as per ~~published~~ Calender of events

20/12/15

Sub 2

Evidently the Returning officer has rejected the applicants' Candidature under Section 12(1)(B)(b) of the Town mt Act as being an electrical contractor & plumber of the Munp

But the applicant says that he is not doing any sort of contract work in the Munp for the last two years and that he has in fact applied to the Munp not to give him any contract work as he has stood for Election These are points requiring Enquiry But no appeal lies to the Deputy Comm against the decision of the Returning officer according to the Election rules The only remedy for him is to contest the Election as being irregular before a Civil court having jurisdiction for orders whether an Endorsement may be issued to him accordingly

We may be perverse ascertain the reason why the application was rejected & ~~determine~~ the reason thereof

Another aspect that may be taken is, the applicants' name has/has not been may be considered while nominating members of the proper representation of the Community in the Elections
